The image shows a screenshot of a Visual Studio Code editor window. The title bar at the top reads "WEB TASARIM ÖDEVİ". The Explorer sidebar on the left shows a project named "WEB TASARIM ÖDEVİ" with two files: "index.html" and "style.css". The "style.css" file is open in the main editor area. The code is written in a dark theme with syntax highlighting. It includes a reset for all elements, followed by styles for the body, a form wrapper, a signup form, and specific elements within the signup form. The status bar at the bottom indicates the current position is "Ln 63, Col 2" with "Spaces: 2", "UTF-8" encoding, "CRLF" line endings, and "CSS" language.
